NOTE: 2 courses are offered in the morning at the same time, choose 1 or the other.

NAU provides credit for courses. **Students are responsible for taking care of registration and fees for NAU.** For the summer you are allowed to take 3 credit hours. **NLA staff will be available at the beginning of the workshop to answer questions about receiving credit for courses. You can pre-register for graduate credit at [www.nau.edu](http://www.nau.edu).**

Our courses are intensive, condensed into a three-week period. Therefore, we do not recommend that students enroll in more than two courses each for credit.

We recommend that participants attend the workshop for the entire three weeks.

In addition to the regularly scheduled classes, there will be other activities from time to time (if time permits) such as guest lectures, group discussions, and field trips. Lectures and discussions will focus on topics relevant to language teaching and linguistic theory. Guest lecturer may include institute participants, researchers from the University, and others specializing in the Navajo language and/or education.
